NOTICE TO APPLICANT: This permit is issued on the basis of information furnished in the application and on any submitted plans and is subject to the provisions and requirements of the City of Tonkawa Code or Ordinances and any other applicable Ordinance.

This Permit is issued only for the purpose of allowing construction of a building or structure conforming to the Codes and Ordinances of the City, regardless of information and /or plans submitted.

SCOPE OF PERMIT: For new buildings, additions to existing buildings, this permit authorizes all structural, plumbing, electrical, mechanical, work to be performed in the construction of the building or structure at this address, if done at the same time of initial construction. The permit holder is required to use only subcontractors licensed, registered, or bonded by the City of Tonkawa where such a requirement is applicable. This permit is for work on new buildings and additions to existing buildings. A separate permit must be obtained by all other subcontractors for any other type of work the is not covered in the scope of this permit.

I hereby accept all conditions above mentioned and certify that all statements herein recorded by me are true.
