**NOTICE TO APPLICANT:** This permit is issued based on information furnished in the application and on any submitted plans and is subject to the provisions and requirements of the City of Tonkawa Code and Ordinances and any other applicable Ordinances.  
The Permit is issued only for the purpose of allowing construction of a building or structure conforming to the Codes and Ordinances of the City, regardless of information and / or plans submitted.

**SCOPE OD PERMIT:** For new buildings, additions to existing buildings, this permit authorizes all structural, plumbing, electrical, mechanical work to be performed in the construction of the building or structure at the address, if sone at the same time of initial construction. The permit holder is required to use only subcontractors licensed, registered, or bonded by the City of Tonkawa where such a requirement is applicable. This permit must be obtained by all other subcontractors for any other type of work that is not covered in the scope of this permit.

I herby accept all conditions above mentioned and certify that all statements herein recorded by me are true.
