

BLINN PARK BALLFIELDS

We regret to advise that there has been some confusion and miscommunications for the Ballfield Scheduling Links that were featured on the City Website and (previously) on our Facebook Page. Due to these issues, we are requesting ANY parent, coach, team, or organization who wishes to use the fields to email your proposed schedule(s) and desired field(s). We will organize these schedules and reach back out to you. You will need to be clear on dates and times. Please name a point of contact that includes name, phone number, and email. Thank you!
